Congratulations Nancy McGinnis & Harry Kittleman who ran the marathon!

Nancy had a good race, a very steady pace and strong at the end when the temperature had to be close to 80. Nancy ran 4:22 which put her 6th in the veterans plus.

Congratulations Harry Kittleman - it was reported that he ran the Half Marathon but we can see why he really likes this run! Nice photo with the Pacifico girls! Harry's time was 2:12 . Harry said he had to run hard to beat the Marathon winner across the line (a new course record of 2:12). As I'm more than twice as old it's only fair that they run twice as far. That race has to be the best organized I've ever attended. The price did go up to 150 pesos (\$13.50) this year but that included a lot of goodies and the pre-race carbo-loading dinner.
